**WINE ENTHUSIAST**

"From vines on the slopes of its castle, a witness to the 1453 end of the Hundred Years' War, this solid, concentrated wine has everything in the right place. It has the power of the vintage, showing firm tannins, rich black fruits and acidity. The wine will develop slowly and surely and should be ready from 2023.- ROGER VOSS"

KYSELA PERE et FILS, LTD.
