ESTATE SELECTION

CABERNET SAUVIGNON

90 pts

## JEB DUNNUCK

"Coming from 10-year-old Cabernet vines planted in the sandy, loamy soils of the estate vineyard in the Uco Valley, the 2018 Cabernet Sauvignon Estate sports a deep purple/ruby color as well as an herbal bouquet of blackcurrants, green tobacco, menthol, and spring flowers. With medium-bodied richness, good overall balance, and ripe, polished tannins, it's a terrific, rock-solid Cabernet that delivers ample character. Drink it any time over the coming 7-8 years."
