

4 GATOS LOCOS

ALTO GUALTALLARY

MALBEC 2019

"There is a notable difference in alcohol between the 2019 Malbec and the 2020 I tasted next to it. 2019 is a fresher year, and the wine has 13.9% alcohol, almost 1% less than the previous year. It comes through as fresher and more balanced, more mineral and austere, more serious. It has some dusty tannins that would welcome some food. - Luis GUTIERREZ"
