

DOMAINE de MUS

Pinot Noir

France – Languedoc-Roussillon – Pays D’OC

ABOUT CHATEAU de MUS

Chateau de Mus is in Murviel-Les-Beziers, in the production area Occitanie (former Languedoc-Roussillon). It represents one of the largest archaeological sites in Hérault, dating back to at least 800 BC. The estate was named after an ancient fortified place called “Murus” (‘city wall’ in Latin), built up on a cliff over the Orb river.

The estate, which features a Renaissance-style castle, was purchased by the Julien family in 2004. Owners Bernard and Marina Julien, along with their sons Yannick & Brice, represent the fourth and fifth generation of winemakers in their family. The Julien family practices sustainable agriculture.

Chateau de Mus covers 250 acres, 200 of which are planted. The vineyard is planted to traditional grape varieties of the Languedoc’s AOP - Grenache, Syrah, Mourvèdre, Cinsault – as well as a range of different French varieties planted in the Vin de Pays area. The property features 3 different soils - clay limestone, boulder and silt.

ABOUT THE WINE

This garnet-red Pinot Noir is expressive and charming on the nose, with floral aromas of violet and peony. On the palate it is fresh and round - a fine and elegant wine displaying red fruit (cranberries, redcurrants) with a nice balance. Good length with a soft spicy finish. A beautiful Mediterranean expression of the variety.

Appellation	Pays D’OC
Varietal(s)	100% Pinot Noir
Vinification	100% destemmed. Maceration in vats for 5 weeks. Fermentation with selected yeasts at controlled temperatures. Aged six months in vats.
Vine Age	11 years
