

2018 DOMAINE de MUS

Grenache Cinsault Rosé

France – Languedoc-Roussillon – Pays D’OC

ABOUT CHATEAU de MUS

Chateau de Mus is in Murviel-Les-Beziers, in the production area Occitanie (former Languedoc-Roussillon). It represents one of the largest archaeological sites in Hérault, dating back to at least 800 BC. The estate was named after an ancient fortified place called “Murus” (‘city wall’ in Latin), built up on a cliff over the Orb river.

The estate, which features a Renaissance-style castle, was purchased by the Julien family in 2004. Owners Bernard and Marina Julien, along with their sons Yannick & Brice, represent the fourth and fifth generation of winemakers in their family.

Chateau de Mus covers 250 acres, 200 of which are planted. The vineyard is planted to traditional grape varieties of the Languedoc’s AOP - Grenache, Syrah, Mourvèdre, Cinsault – as well as a range of different French varieties planted in the Vin de Pays area.

ABOUT THE WINE

A nice rose petal color with mango shades. On the nose one finds dominating notes of raspberry, wild peach, and pink pomelo. The palate is round and refreshing, with a delicious acidulous harmony, and notes of pomelo, citrus & crisp red fruit. Available in 750ml, plus 3-liter Bag-in-Box – perfect for picnics & poolside.

RATINGS

89 pts I-WineReview

Vintage	2018
Appellation	Pays D’OC
Varietal(s)	60% Grenache and 40% Cinsault
Vinification	Fermentation - with the addition of specially selected yeasts for their aromatic qualities - lasts 40 days, in stainless steel temperature-controlled vats. During fermentation, different juices are regularly added into the blend as different varieties are harvested.
