

N.V. Don Piere Sparkling Brut

Spain - Asturias

ABOUT THE WINERY

El Gaitero was founded in 1890 by Valle, Ballina y Fernández families as a cider factory that developed into a long and successful venture. The alliance and shared vision of the brothers Alberto and Eladio del Valle, Bernardo de la Ballina and Ángel Fernández gave its name to the company. These entrepreneurs, like many enlightened Asturians of the time, recognized the potential of apple planting and the industrialization of the region as a means of fostering prosperity in Asturias. El Gaitero group is a modern, forward-thinking company boasting a hundred-year history that perpetuates the value of its heritage and traditional production methods, whilst constantly looking ahead to innovation and development based on the use of cutting-edge technologies. Its facilities, which have been declared an Industrial Heritage site, now extend over more than 40,000 square meters on the shores of the Villaviciosa ria, in La Espuncia (Asturias).

ABOUT THE WINE

The grapes for Don Piere sparkling are sourced from high elevation areas throughout Spain. Don Piere offers a crystal-clear pale-yellow color, small and abundant bubbles of great finesse and elegance. The nose shows light and pleasant citrus and fresh fruit aromas. Well-balanced and refreshing on the palate with fruity flavors, good acidity and pleasant texture.

Varietals	95% Airen, 5% Viura
Vinification	After maturation in stainless steel tanks the wine is homogenized, adapting it to its sensory characteristics. The wine is then clarified and filtered to ensure its microbiological stability. The carbonation system leads to a wine with a slightly persistent foam with the formation of beads of great finesse in the bubbles, providing a perfect combination of aromas and flavors.
Pairings	Appetizers, grilled fish, or desserts and cocktails, mixed in a Bellini. Ideal sparkling to share and celebrate with friends.
Size	6/750ml
UPC	7 84585 03094 1
