*Majeure* 2016

**99** PTS

**JEB DUNNUCK**

"It needs considerable air to start to show its potential yet is a full-bodied, powerful wine that has subtle oak, plenty of sweet tannins, and a huge, layered finish that won't quit. It's the tannin management that's truly spectacular. This brilliant wine needs to be forgotten for 4-5 years and will keep for 2-3 decades."
