ABOUT THE WINE

The Côtes-du-Rhône is made from various type of soils, the most predominant of which is limestone terraces with sand and red clay. This terroir provides an extraordinary richness and complexity with a Mediterranean style.

Pale yellow color, brilliant with a gold tinge. Primary aroma of flowers and stone fruit. On the palate, the fruit is immediately present with touches of almond and white peach. A slight liveliness appears in the finish, which creates a perfect balance for the natural generosity of this wine. Excellent with fish & seafood.
