

JOHN'S BAY

SAUVIGNON BLANC

CHILE - CENTRAL VALLEY

2021

GREAT
VALUE

2 STARS

The Washington Post

"A little mango, maybe pineapple squirted with a bit of lime - you could enjoy an evening divining the flavors in this supple, ripe sauvignon blanc. It's neither aggressively grassy nor earthbound minerally. It's like "Wordle" - which five flavors can you taste? In other words, diverting and fun. And yummy. - Dave McIntyre"
