Estate Reserve 2014

90 pts

Robert Parker
WINE ADVOCATE

"The 2014 Estate Reserve is a blend of 32% Merlot and 31% Cabernet Sauvignon, with the remainder made up of Petit Verdot, Malbec and Syrah. It begins soft and shy on the nose and the palate moves to the bolder side, with dark-fruited expression and dusty, floral minerality. Medium to full-bodied, it's focused and structured with spicy tones across the mid-palate. The wine ends with focused, grippy tannins on the long finish and it should age well. 14,229 bottles were made. - Anthony Mueller"
