WINE ADVOCATE

"The 2017 White Blend Terrasse is a blend of 53% Chenin Blanc, 20% Sauvignon Blanc and 13% Chardonnay, with the balance a blend of Viognier, Marsanne and Roussanne. It has a citric nose with a mineral edge that gives aromas of lemon blossoms and white spices. The palate is lively with a rich texture and structured mouthfeel, with a soft, spicy finish that lingers with fresh citrus and good mineral tension. 13,919 bottles were made, which will be released in December of 2019. At this price point, you can purchase a few bottles for your cellar. - Anthony Mueller"
