WINE ENTHUSIAST

"Truffle, rose, camphor, wild berry and botanical herb are just some of the aromas you'll find on this. Full bodied and youthfully austere, the palate has firm structure and tension, delivering dried cherry, licorice, tobacco and blood orange framed in tightly knit, close-grained tannins. Fresh acidity keeps it balanced. Drink 2023-2033. - Kerin O'KEEFE"

JAMES SUCKLING.COM 

"Very pretty Barolo with dried strawberry, licorice, light chocolate and cedar character. Medium body. Round, firm tannins. Drink now."
