94 LONG SHADOWS  
Columbia Valley  
pts 2016

**JEB DUNNUCK**

"It's medium to full-bodied, beautifully complex, and layered, with more upfront charm and approachability than most 2015s. Nevertheless, it's going to evolve gracefully on its balance and harmony. Made from 60% Cabernet Sauvignon, 25% Syrah, and 15% Petit Verdot that spent a full 30 months in oak, hats off to winemaker Gilles Nicault for another terrific vintage for this wine."
