### WINE ENTHUSIAST

"Generous aromas of lime leaf, citrus, wet slate and white peach lead to off-dry stone-fruit and citrus

flavors that stretch out on the palate. It brings a beautiful sense of acid balance with an impressively long finish. Give it some additional time in bottle to see it at its best."

• Antonio Galloni

## vinOUS

"(Pale, bright yellow. Intriguing aromas of Cranapple, lime, ginger and botanical herbs. Broad, spicy and energetic on the palate, showing a brisk touch of orange zest. The tactile, dusty back end displays sneaky rising length and subtle fruit-and-spice complexity. A very good vintage for this bottling. (12.5% alcohol) - Stephen Tanzer"
