

SAGGI

LONG SHADOWS, Columbia Valley 2014

"This wine begins with aromatics of red cherry, anise, spicebox and hints of red raspberry and dried thyme. There are bright flavors of smoked pork shoulder, red cherry, coffee grounds and hints of white pepper with sagebrush. The finish lingers in this one of a kind Washington red blend. While this is absolutely stunning right out of the bottle, this will also cellar well into the next decade."
