*"This wine from South Africa's Swartland region offers the rich aromas and flavors of a good quality Ruby Port at a very reasonable price. It offers vibrant aromas and generous, ripe flavors of dark cherry, chocolate, and tobacco complemented by savory notes. It has just the right tannic firmness and a long, rich finish. Made in the style of a Ruby Port from Touriga Nacional and Shiraz grapes, half of which was aged in barriques for 2 years."*
