United States – California - Lodi

ABOUT THE RUBUS PROJECT

The Rubus Project was created by specialty importer Fran Kysela as a way to source & sell incredible wines at value prices. All wines in this international project are hand-selected by Fran Kysela. Rubus wines are fruit driven, true-to-type values that over deliver – a true representation of quality for the consumer at an excellent price.

ABOUT THE WINE

"Seriously flavorful and appealing, this full-bodied wine virtually overflows with luscious blackberry, strawberry and maple flavors on a broad mouthcoating texture. It has good concentration, breadth and a lingering finish. - Wine Enthusiast (October 2019), 90 pts
