South Africa - Western Cape - Coastal Region - Swartland

ABOUT THE WINERY

"Riebeek Cellars, located on the western coast of the Cape Province of South Africa, was established over 70 years ago. These wines are meant to be consumed early in life, and therefore the focus is on unmanipulated, unadulterated, straightforward, abundant fruit."

Robert Parker's Wine Advocate

Riebeek Cellars is located in the picturesque Riebeek Valley, in the heart of the Swartland wine region of South Africa. Established in 1941 by a group of nine local farmers, they are guided by Dutch & French traditions dating back 350 years.

Today Riebeek Cellars is an authentic W.O. Swartland producer. They source grapes from a group of 40 growers across the Riebeek Valley, including 3rd and 4th generation wine grape growers. Sourcing only from this select group ensures continuity of the finest quality and preservation of the terroir. They produce around 1.2 million 9-liter cases per year.

The vineyards of Riebeek Cellars lie in a richly diverse area in terms of soil, climate, and topography. Vineyards are situated at heights that vary from 60 meters above sea level to 300 meters against the slopes of the Kasteelberg mountains. Because of the topography, the soils display the same rich variety.

ABOUT THE WINE

The wine offers upfront tropical fruit aromas balanced by a distinct minerality and crisp acidity.
