

VIÑA MEÍN · EMILIO ROJO

O Pequeño Meín

TASTING NOTES:

An aromatic, vibrant and intense white with a pleasant finish. Precise and careful viticulture and a unique blend of native varieties, Treixadura, Godello, Albariño and Torrontés, express the diversity and richness of Ribeiro – one of the most prolific winemaking regions in Spain since the 11th century.

12 small plots across just 40 acres of land with varying slopes and aspects that allow the grapes to benefit from different sun exposures and that thrive in the “Sábrego” soil: unique to this region and comprised of decomposed granite, sand and clay.
