CREMANT  
D'ALSACE

91 pts  i-winereview.com

"Showing apple and shortbread on the nose, this Crémant has a lovely creamy, textured mouth feel and firm acidity that combine to offer unusual drinking pleasure in a wine of this price. If you're trying to decide whether to buy a Prosecco or spend a few more dollars for this wine, I'd say go for it!"

 KYSELA PERE et FILS, LTD.
