Robert Parker
WINE ADVOCATE

"With grapes for the 2019 Beauges de Venise coming from parcels up to 600 meters above sea level, the 2019 Beauges de Venise contains a bit of green peppercorn character alongside red raspberries, garrigue and hints of leather.

A cofermented blend of 60% Grenache, 15% Mourvèdre, 15% Syrah and 10% Cinsault that's then aged in a mix of barrels and tank, it's medium to full-bodied, supple and easy to drink. - Joe Czerwinski"
