

# ZOMBIE ZIN

## ZINFANDEL

The Zombie Zinfandel is very dark in color, almost a black-purple. The aromas are of ripe, dense black fruits and a hint of dried herbs. The flavors are complex and rich, sporting succulent blackberries, powdered cinnamon, cola and cherry jam. Just a hint of black pepper in the long finish.

*Be careful if you go out at night...*

The Zombie Zin is designed to be consumed in hiding with the only friends you have left...

*... post apocalypse.*
