

Jozen Mizuno Gotoshi Junmai Daiginjo

Shirataki Shuzo

This beautiful, seasonal Genshu is powerfully aromatic and flavorful on the palate. These fresh and lively flavors are the result of pressing without the dilution of additional water. Classically Jozen in style with elegance and influenced by the soft snow texture of the famous water of that region.

*Ideal with seafood, poultry and meat dishes with full flavors, as well as spicy cuisine.
Pairs well with Fourme d'Ambert blue cheese.*
