

Jozen Mizuno Gotoshi

Junmai Ginjo Nigori

Shirataki Shuzo

Inviting aromas of mint, marshmallow and Asian pear pull you into this drink.

Surprisingly dry, this Nigori (cloudy) style sake has a rich, chewy texture.

The intriguing mid palate features mint, white chocolate, and tart cherries. The finish belies our expectations with an elegant, softness of minerals that settles in a dry finish.

Ideal with roast duck, dry-rub ribs, full flavored pate de campagne, fruit and nut desserts of light sweetness. Delicious with mildly ripe Coulommiers or Brie, Italian Raschera.
