VERDEJO RUEDA

2017

AMADOR DIEZ

"One of the most ambitious Rueda whites, this comes from a selection of pre-phylloxera vineyards and is built to age. The oak is better integrated than on the 2015, which is also available in the market right now, supporting a wine with amazing intensity and focus. Nutty and intense, it has flavours of pear, citrus and marzipan, with undertones of fennel and cinnamon, good structure and racy, palate-cleansing acidity."
