explore all things wine

"(all new French oak) Limpid yellow-gold. An expansive bouquet evokes fresh melon, Meyer lemon, peach nectar and buttered toast, with a smoky mineral quality emerging as the wine opens up. Juicy and energetic, offering densely packed orchard and citrus fruit and sweet butter flavors and a subtle touch of vanilla. Shows impressive energy and mineral lift on the penetrating, highly persistent finish, which features a sexy floral quality and a mineral flourish.

- Josh Reynolds"
