JEB DUNNUCK

"The 2017 Syrah Arnaut Boushey Vineyard comes from Dick Boushey's vineyard in the Yakima Valley and was harvested on October 2nd. Violets, rose petals, and sweet blackberry fruit all emerge from this more medium-bodied, elegant, silky Syrah that's not a blockbuster but has beautiful purity and elegance. It's another wine I suspect will gain weight over the course of its *élevage*."
