JEB DUNNUCK

"The last vintage for this cuvée, the 2017 Syrah Le Corbeau Discovery Vineyard is similar in style to the Arnaut yet offers slightly more floral notes in its blue fruits, wild strawberry, violets, rose petal, and sappy, forest floor aromas and flavors. Medium-bodied, with bright acidity and good balance, it's a beautiful Syrah that leans heavily toward the fresh, elegant end of the spectrum while still offering tons of character and pleasure."
