

AYNI 2017
91 pts MALBEC
WINE ADVOCATE

"The single-vineyard 2017 Ayni Malbec comes from paraje Altamira, and the wine was bottled with 13% alcohol and moderate acidity that made it feel soft but not bland, with enough freshness going through its core. Many wines are now matured in large oak containers, and that certainly helps with the integration of the oak with the fruit, as is the case here. The tannins are fine-grained, and the finish is dry and long. - LG"
