

BAVENCOFF BOURGOGNE BLANC

Bavencoff Yvan

France - Burgundy - Bourgogne Chardonnay

ABOUT THE WINERY

In 2003, a group of young winemakers decided to put their efforts together in order to succeed in the conquest of export. The grapes are selected among the best appellations of Burgundy to share the values and the history of this beautiful vineyard. All the wines are crafted with a great respect for tradition.

ABOUT THE WINE

This Bourgogne Chardonnay is fresh and pleasant. The aromas are quite expressive with Honeysuckle, Broom and Mushroom. It also has a nice balance between the acidity and the fruitiness, complementing the minerality. It will drink well during its youth but will gain some extra aromatic complexity after a few months in the cellar.
