"The 2017 Bressia Profundo is half Malbec with 30% Cabernet Sauvignon, 10% Merlot and 10% Syrah from Agrelo, Luján de Cuyo and was aged in used American and French barrels. A rich purple in color, the complex nose offers violets and white pepper with hints of ripe plum, raspberry and blackcurrant with whiffs of mint and balsam over a bed of oak. Indulgent initially, the flow grows voluminous and gentle with delicate tannins enlivened by the juicy freshness. A nuanced red of ephemeral flavor. - Joaquín Hidalgo"

2017
