

# CUEVA

2019

## de las manos

**"Extraordinary"**

**"A terrific bargain"**

**The Washington Post**

"The purple ruby color of this wine promises intensity, and the flavors deliver with notes of blackberry, blueberry, violets, wild thyme and rosemary. This exciting wine is made with organic grapes and aged in concrete, which gives the wine a little rustic texture while allowing the top-quality fruit to shine."
