"Based on a 60/40 split of Clairette and Roussanne brought up all in tank, the 2019 Châteauneuf Du Pape Le Miocène Blanc offers a pretty, already complex nose of mulled citrus and pear fruits, leafy herbs, and honeyed toast. With notable richness, medium body, and bright acidity, as well as a clean, dry finish, it's classic white from this great region to enjoy over the coming 3-5 years."
