

DOMAINE GRAND VENEUR

Châteauneuf-du-Pape

Le Miocène 2021

"The classic white from this estate is the 2021 Châteauneuf Du Pape Le Miocene Blanc, and it shines in the vintage. Based on 60% Clairette and 40% Roussanne, it has a lighter gold hue as well as textbook aromatics of citrus, pears, and minty herbs. I love its balance, it's medium-bodied, has the vintage's fresher style, and outstanding length. It should evolve gracefully, and while the safe bet is to enjoy bottles over the coming 2-4 years, I wouldn't be surprised to see this evolve for well over a decade."
