

DOMAINE GRAND VENEUR
Châteauneuf-du-Pape 2021

Le Miocène

"A rather elegant Chateauneuf with plenty of red fruits and some floral notes, plus a touch of tomato ketchup. Very good fruit, but also a solid base of tannins on the medium- to full-bodied palate. The crisp acidity is well-integrated at the long, moderately dry finish."

KYSELA PERE et FILS, LTD.
