### JEB DUNNUCK

"The 2017 Châteauneuf Du Pape Vieilles Vignes is a bigger, richer, more opulent wine. Beautiful notes of blackcurrants, scorched earth, graphite, and crushed violets, all flow to a full-bodied, Châteauneuf Du Pape that has a voluptuous, sexy texture, brilliant depth of fruit, fine tannins, and a purity of fruit that's hard to find in this vintage. It's a thrill a minute, and while it's approachable today, it will keep for 15-20 years."
