WINE ENTHUSIAST

This cuvée 'Une Bulle' was created originally to celebrate the wedding of daughter Sophie Guillemot and Gautier!

The Chardonnay grapes come from a historic parcel of the estate - La Lie-Monin - that had been leased for nearly 30 years and that the family decided to cultivate again in 2013.

Produced with the "methode ancestrale", it is an aromatic, beautiful, fresh and elegant sparkling wine with crisp and juicy flavors, firm acidity and a long finish.
