Robert Parker
WINE ADVOCATE

"Notes of crisp green orchard fruit, oatmeal, clear honey, white flowers and mint introduce the 2019 Viré-Clessé Quintaine, a medium to full-bodied, layered and concentrated wine that's deep and sapid, framed by lively acids and chalky structuring dry extract. If the 2018 is open and demonstrative, the 2019 is built to age and will really reward some patience. – William Kelley"
