

GUILLEMOT-MICHEL

VIRÉ-CLESSÉ

QUINTAINE 2020

"Another terrific wine from this address, the 2020 Viré-Clessé Quintaine exhibits aromas of citrus zest, white flowers, crisp melon and orchard fruit, followed by a medium to full-bodied, satiny and layered palate that's racy and precise, concluding with a long, saline finish. At a pH of 3.09, this is a beautifully balanced, vibrant wine in this warm vintage, and it will richly reward some bottle age.- W.K"
