

# Domaine de la Mordorée

CÔTES-DU-RHÔNE

2022

*"A blend of 40% Grenache, 30% Syrah, 15% Cinsault, 10% Carignan and 5% Mourvèdre, Mordorée's 2022 Cotes du Rhone Rose is the lightest colored of the three rosés I tasted from this biodynamic estate. It's still a solid medium-pink hue in the glass, with hints of copper. Scents of cherries and peaches are joined by hints of lime zest on the nose, while the medium-bodied palate is almost gravelly in texture, adding another pleasing element, before finishing bright and refreshing. A bit more concentrated than I remember previous vintages, it should even drink well into 2024.*
