LA REINE DES BOIS TAVEL

2022

"A blend of 60% Grenache, 20% Syrah, 10% Cinsault and 10% Clairette, the 2022 Tavel La Reine des Bois is a touch darker in hue than its stablemate, the La Dame Rousse, but it's still not among the darkest of Tavels in the glass. That's perfectly okay, as the aromas and flavors are textbook for the appellation: crushed stone, flowering garrigue, ripe cherries and mouthwatering strawberries, all capped off by refreshing citrus-zest notes on the lengthy finish. Full-bodied and full-flavored, it's one of the candidates for top Tavel this year. - Joe Czerwinski"
