COLCHAGUA VALLEY - CHILE

*Sourced from the Colchagua Valley, characterized by its steep slopes of well-drained granite soils and irrigated by the Tinguiririca River, which bring clear melt water from the Andes.*

Ripe tropical fruit aromas of banana and pineapple, with notes of melon and honey that are well harmonized with oak. A distinctive mineral character typical of the Colchagua Valley. On the finish, it is full and rich with just enough toast and vanilla flavors to compliment food.
