PROPRIETARY RESERVE RED

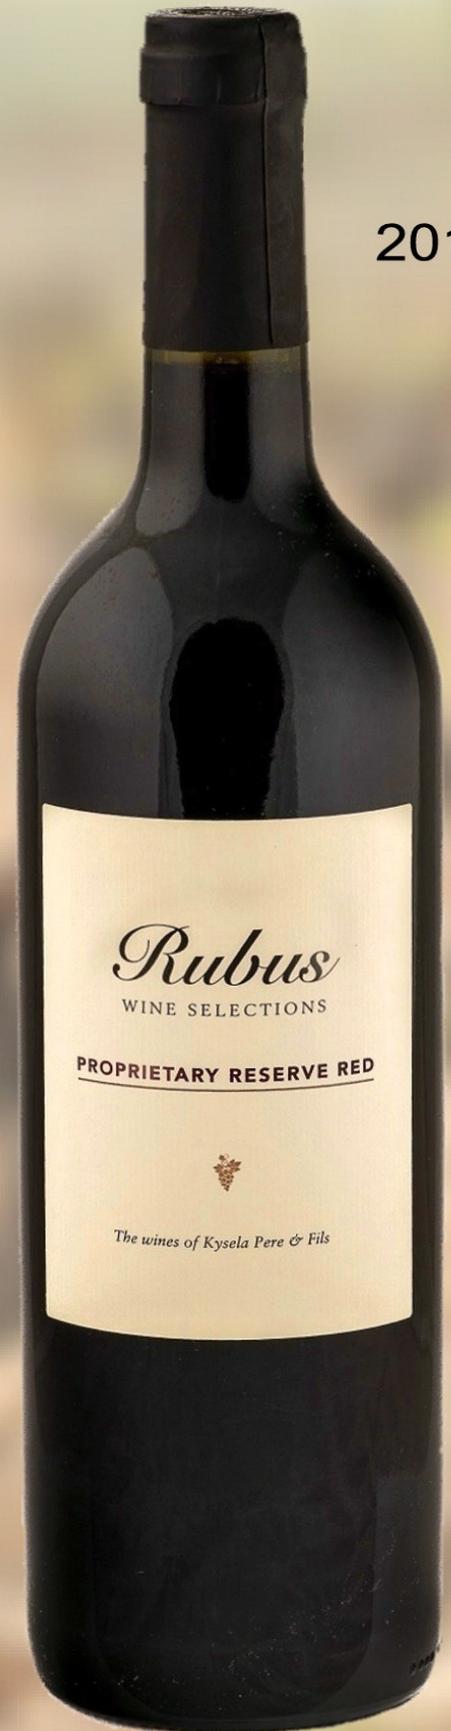

SPAIN

2016

88 pts

JEB DUNNUCK

"The 2016 Proprietary Reserve Red Spain is a Grenache-dominated red (there's 10% Syrah) that offers a pretty, forward bouquet of ripe cherries, strawberries, spice, and a touch of dried flowers. With medium body, a seamless texture, and no hard edges, it's another terrific value from the Rubus Project that's ideal for drinking over the coming couple of years."
