"Light salmon color. This Vin-Gris opens with light red berry and earthy aromas. It shows very good balance and freshness on the palate with lingering hints of ripe berries.

Shows just a hint of heat on the finish. A great patio wine, especially with an ice cube or two. 80% Grenache, 10% Carignan, and 10% Cinsault hand harvested and fermented and aged on the lees in stainless steel for 3 months. - Don WINKLER"
