

Azienda Agricola Monzio Compagnoni

Italy - Lombardia

Located in Adro among the splendid hills of Franciacorta, in a 15th century farmhouse, Monzio Compagnoni Azienda Agricola is today considered one of the most dynamic wineries operating in the Franciacorta and Bergamasco wine sector. From our vines we obtain Chardonnay, Pinot Bianco and Grigio, Merlot and Cabernet Sauvignon, Pinot Nero and Moscato di Scanzo grapes, with which we produce wines from Franciacorta and Bergamo. The winemaker Marcello Monzio Compagnoni has been carrying out this great winemaking reality for thirty years now through study, experience and passion and thanks to the modern and pragmatic mentality and the productive soul he has been able to carve out an important space in the world of wine.
