

At Buccella, we’re especially interested in origins. Our own story began over a beautiful bottle of 1990 Gaja. It was our first date. When we met, we were two individuals with distinct dreams, but we soon found our shared passion for wine would unite our paths to create Buccella.

We savor wine for its ability to bring people together, initiate new relationships, and celebrate life’s most momentous occasions. A well-crafted wine not only creates memories, it nourishes the true enjoyment of life. For these reasons, we have pursued our shared dream of making the best wine we can.

Our dream has not been without obstacles. But they have inspired us to work tirelessly, handcrafting wines that reflect our shared commitment to creating memories and enhancing life’s celebrations. It is a privilege to create wine that is an important ingredient in shaping your stories, your enjoyment of life. We hope that every bottle of Buccella helps build a memory for you and those with whom you share it.

From our dream to your table, your enjoyment is our passion.
