

Cellier du Chateau de la Chaume

France - Burgundy

The Château de la Chaume is located in Corgoloin in Côtes de Nuits. He is surrounded by a park of 10 Ha full of beautiful trees.

Our wines are vinified in the cellar of the Château de la Chaume. Cellier du Château de la Chaume was created in 1993. We pay attention to the winegrowers that we choose for our wines. We strive to work with winegrowers corresponding to our values, that is to say, the excellence of wines.

The cellars were completely redesigned and modernized with a stainless steel wine storehouse, which welcome the greatest wines and in particular, the red and white wine from the Côte d'Or.
