

## Exhibit 'A' Brewing Company

Exhibit 'A' Brewing Company opened in September of 2016. It was Co-Founded by the Head Brewer Matthew Steinberg. Matthew has been working in the brewing industry in Massachusetts for over 20 years with various other breweries including Harpoon Brewery, Offshore Ale Company, Mayflower Brewing Company, and most recently High Horse. He brings his experience and passion to this project, focusing on high quality and locally sourced ingredients. As of today, Exhibit 'A' has grown to 18 employees with a proposed annual production of over 6000 barrels.

Exhibit 'A' Brewing Company is considered a small regional brewery. They brew, ferment and package all onsite.
