

Rubus Old Vine Zinfandel Lodi

Rubus Project

United States - California - Lodi

Zinfandel was one of the first grape varieties to be planted in the area during the California Gold Rush, therefore it holds a special place in Lodi’s history as a winegrowing region. The vines are naturally low-yielding due to their age, and they consistently produce high quality fruit.

Ruby red in color, with red fruit, raspberry, and spice on the nose. This wine is medium in body, with notes of ripe cherry, cedar box, cinnamon, anise, black pepper, and hint of smoke on the palate. It has a long, silky finish.

Specifications
