

Alleme Getariako Txakolina

Bodega de Txakoli Talai Berri

Spain - Getariako Txakolina

A very fruity, crisp and clean white from Spain's Basque Country with a slight spritz (due to fermentation), citrus and exotic fruits, mineral and floral notes. Good balance and bright acidity.

In the mouth, it is round and unctuous, with a good balance of structure and acidity. To obtain such a Txakoli, we have combined the most traditional and innovative production methods. Thanks to the batonnage (stirring of the lees), we have reached the typical unctuousness of this Txakoli.
